ITEM	DISCUSSION/CONCLUSION/RECOMMENDATIONS	ACTIONS
Alliance Against Heroin	<p>MaryAdele sent a survey out to members of the Alliance Against Heroin asking them to mark Action Items that they would be interested in working on. Did not get a great response. As of Jan 26, 2015 only received 6 out of 27. The top 3 items receiving the most votes were: (1) Prevention-Help with Take Back Medication Day on April 25, 2015; (2) Prevention-help with National Recovery Month – September; and (3) Treatment-work to create one list of all AODA providers in Sheboygan. No future meeting has been set yet. MaryAdele is checking government grant websites on a daily basis looking for application announcements associated with the \$12 million appropriated for opioid treatment services and \$8.7 million for education and training for opioid treatment programs. She would like to see Sheboygan County apply.</p> <p>Flyer for upcoming “Samaritan’s Hand” event flyer was share. Linked below:</p>  <p>Samaritans Hand Flyer</p>	<p><i>If you would like to fill out an Action Item survey, please contact MaryAdele.</i></p>
Treatment Court	<p>MaryAdele has met with the Judge’s Workgroup to discuss specifics of the grant application for the Treatment Court. Application announcement is set for early March so there is time to get more information collected. She found out there is no major service provider in Sheboygan doing intensive outpatient treatment [IOP] using an evidence based program in fidelity with the curriculum. Thus, MaryAdele has been researching Hazelden programs, specifically the Matrix Model for intensive IOP treatment and the New Direction program for aftercare and CBT. A real possibility that the DFC grant will pay for national trainers to come to Sheboygan to train local clinicians on both curriculums.</p> <p>FYI - In the Federal Budget for Fiscal Year 2015 (Office of Justice Programs), Drug Courts, DWI Courts and Vet Treatment Courts were allocated \$97.4 million –an increase of \$1.5 million above FY 2014.</p>

The sign up sheet was also passed around for times to volunteer at each site.</p>	<p><i>If you are interested at volunteering at any of the sites, please contact Mary Adele.</i></p>
Mental Health & AODA Resource Fair for Sheboygan County	<p>Planning is still going on for the Mental Health/AODA Resource Fair that will be held at RCS from 4-8pm on April 30th, 2015. This event will be for both providers and public. Looking into potential program or panel component. Vendor invites are sent to go out next week. It will be stressed to vendors that this is not for “selling” but for sharing of information and resources to providers and public.</p>
