ITEM	DISCUSSION/CONCLUSION/RECOMMENDATIONS	ACTIONS
Introduction of new members/guests/general committee business	<p>Thanks Officer Todd Kronberg for agreeing to be Co-Chair of the Committee.</p> <p>Welcome Libby Holte! She is a new Public Health Educator at Sheboygan Department of Health Services. She is also in charge of the Healthy Sheboygan County 2020 website http://www.healthysheboygancounty.org. The new website launched Monday, December 22, 2014. The AODA Committee has a page with links to medication disposal information, meeting minutes, accomplishments, and the monthly e-News Summary. Anyone can go to the Events page to fill out a form to submit an event – Libby is pre-screening events before posting. It would be great if the Committee, as a whole, worked to keep the information up-to-date.</p> <p>There was discussion to move the Committee meeting to DHHS on 8th St. It is unknown why the group meets at the Church and why at 7:45am. DHHS would provide us access to WiFi, other technology, proper table & chairs, and phone access in case of emergencies. Change will be looked into.</p>	<p><i>If you have content ideas for the HSC 2020 website, please forward them to MaryAdele.</i></p>
Healthy Sheboygan County 2020 [HSC 2020] Steering Committee Strategic Planning	<p>HSC 2020 has made a few changes to structure to better reflect the work that is underway and represent future developments.</p> <p>The Steering Committee is now the “Leadership Council.”</p> <p>The 4 goals for the Leadership Council are:</p> <ol style="list-style-type: none"> (1) Spread/integrate “Well County” initiatives throughout Sheboygan County. (2) HSC2020 Leadership Development/Succession Planning (3) Community Awareness, Readiness and Engagement (changing culture to health & awareness) (4) Marketing & Outreach (HSC2020 initiatives and campaigns) <p>Throughout all 4, strategic planning, data collections, analysis, implementation and evaluation will take place.</p> <p>The Leadership Council will host an invite-only day with health care leaders in the County: January 29, 2015 from 9am-11am, “Coordination of Health Improvement Efforts.” As a follow-up to the first day, a second “action day” will be on Feb 16, 2015. It is during this day that represents from the health care providers and HSC Leadership Council and HSC Committee members will work on strategic plans and goals.</p>	

ITEM	DISCUSSION/CONCLUSION/RECOMMENDATIONS	ACTIONS
Alliance Against Heroin	Meeting on 12/16/14 was a success in bringing new faces to the table to join efforts with a dedicated small group. Reviewed the SCAODA Recommendations and identified those that Sheboygan County is already doing and those that can be sustained. MaryAdele has created a document putting information on the Recommendations already being implemented in Sheboygan into a Logic model that is commonly used by Federal agencies and for grant applications. Follow-up meeting later this month – TBD. Focus will be on actions related to sustainability and identifying goals for 2015.	<i>If you would like to be added to the Alliance Against Heroin email list or a copy of the Logic Model document, please notify MaryAdele.</i>
Treatment Court	<p>MaryAdele met with Sharon Abel of Lake Shore Reentry to find out about their non-profit and the work they would like to do. It was decided that this organization will be the “worker bees” for any Federal Grant application that may move forward. They can also be the nonprofit that accepts private donations and work with local funders.</p> <p>In the Federal Budget for Fiscal Year 2015 (Office of Justice Programs), Drug Courts, DWI Courts and Vet Treatment Courts were allocated \$97.4 million –an increase of \$1.5 million above FY 2014. In addition, \$12 million appropriated for opioid treatment services and \$8.7 million for education and training for opioid treatment programs. Grant applications for Drug/Treatment Courts will be coming out soon and Sheboygan County plans on applying.</p>	<i>If you want to be included on a Treatment Court email list, then send your name to MaryAdele.</i>
Take Back Medication Day	<p>County Take Back Day will be April 25, 2015 and Oct 24, 2015; both days from 10am-2pm.</p> <p>For April 25, locations will be: Generations in Plymouth, St. Nick’s in Sheboygan, and hopefully the Fire Station in Random Lake. Community Surveys to collect basic information/data from the “dropper,” which were used in the past, will be used again. The AODA cte will continue to organize this program until the Alliance Against Heroin Pillar is ready to take over. The New Drug Drop Cards are printed and some will be available at the February 2015 Committee meeting. Officer Todd Kronberg has accepted the position of “County Coordinator” for all law enforcement agencies.</p>	<p><i>Officer Todd Kronberg will contact Random Lake Fire Dept.</i></p> <p><i>Mary P will work with St. Nick’s.</i></p> <p><i>MaryAdele will contact Captain Veeseer about post cards and look for the survey form.</i></p> <p><i>Members can help with distribution and volunteering on both days.</i></p>
Mental Health & AODA Resource Fair for Sheboygan County	<p>Thursday, April 30, 2015 from 4:00pm-8:00pm at RCS</p> <p>Unclear if the AODA Committee wants a booth or just an area to display educational materials. Discussion included ideas to sponsor an event after the close of the Fair at 8pm – suggestions was a band or the group, “Jolly Pranksters.” There is DFC grant money to support the event. MaryAdele & Mary P are on the planning committee and will keep the AODA committee informed.</p>	
TIPS Training	<p><i>“Responsible Drinking for Senior Citizens”</i></p> <p>April 13, 2015 = 1:30pm-3:00pm OR April 22, 2015 = 9:30am-11:00am. All classes are free and at Generations in Plymouth.</p> <p><i>“Responsible Serving at the Beer Tent”</i></p> <p>May 11, 2015 = 9:30am-11:30am OR May 13, 2015 = 1:00pm-3:00pm OR May 15, 2015 = 6:00pm-8:00pm</p> <p>All classes are free and at Generations in Plymouth.</p> <p>All sessions will be facilitated by Officer Todd Kronberg and MaryAdele Revoy. These dates have been added to the HSC 2020 Events webpage. (Thanks Libby!)</p> <p>Group talked about organizations and event planners that should be informed of the Beer Tent training.</p>	<i>Take a flyer and spread the word. Participants should register by contacting MaryAdele and letting her know what date and time.</i>

Updates on other Programs/Agencies – round table report		
Tobacco Education and Prevention	<p>Email went around about WI WINS programs conducted compliance checks in Sheboygan County. No sales to minors in 75 of the 80 retailers, resulting in a 95% compliance rate. POC: Cath Pape.</p> <p>UW-Sheboygan’s College Tobacco Cessation Mini-Grant for Spring 2015 was accepted by the American Lung Association in WI. Work will continue towards a tobacco-free policy and support tobacco cessation for the campus community. POC: Kristine Feggestad.</p>	
Lakeshore Community Health Care Year-end Report	<p>MaryAdele passed out copies of the Lakeshore Community Health Clinic year-end report. Under “patient demographics,” in the category of “mental health and substance abuse,” select diagnosis and services rendered were:</p> <p>Substance abuse = 205 Depression and other mood disorders = 1,042 Anxiety disorders = 991 ADHD / ADD = 507 Other Mental disorders = 465 Copies of the report were handed out.</p>
