	<p>We are pleased to report the WIRCO Recovery Support Center Manual we have created has been reviewed by our esteemed colleague, William White, and he has given a strong “thumbs up” response. It is our intention to send this manual to Faces & Voices of Recovery and ARCO as a gift. Mr. White agrees this sharing of this free manual will make a positive contribution to recovery resources.</p> <p>Great news!! There was a final decision that Aurora would support WIRCO. They are approving the recovery coaching aspect of our request and therefore approving \$4000. We are also looking for additional funding so that we may send two people to Connecticut for the training of trainers course on recovery coaching.</p> <p>On February 4th WIRCO brought in Jessie Heffernan to do an all-day Strategic Planning Meeting. It was very informative.</p> <p>WIRCO is also well on the way to starting an All Recovery Meeting in the jail and another one in the Weill Center downtown Sheboygan.</p> <p>There are many other exciting things in the works like parades and brat fries! Stay tuned for more.</p> <p>Mental Health AODA Resource Fair is May 2nd at St. Dominic’s from 4-7pm (attach flyer)</p>
