Follow-up <ul style="list-style-type: none"> SBIRT in the Schools SBIRT in Healthcare settings 	<ul style="list-style-type: none"> School/SBIRT Initiative <ul style="list-style-type: none"> Kristin Stearns has been working with schools to develop partnership and support around the “severe” 5% who may or may not be appropriate for SBIRT services (keep it separate!) Cindy is working to coordinate a provider summit- Kristin is asking MHA to help invite; Shelby and Kristin likely to facilitate; will set up school-provider meeting down the road after August training Cindy is working on creating a Referral to Treatment group. Also working on an MOU that the people involved will work with the referrals that are given from the schools. Looking to set a meeting in June.

ITEM	DISCUSSION/CONCLUSION/RECOMMENDATIONS
	<ul style="list-style-type: none"> • Sheboygan schools may be backing out of SBIRT- Kristin to intervene. Right now we don't know if SASD is participating. Stacie said she would look into it. • Schools needed to complete implementation plans by 5/15/17. Kari will look into whether they have all been submitted. • Discussion took place if enough people will be attending the August trainings and whether we can consolidate to one training instead of two, which would save \$3,000. If SASD does not participate, there should only be one training. Decision to be made by June 1st. • Some discussion in progress re: confidentiality and referrals in the works. Schools and State/WISH will work through in training. • Dr. Murthy talked with new manager of Plymouth Family Practice about SBIRT and received a positive response. They will be meeting with her re: a pilot project in a healthcare setting. • No update on Prevea SBIRT
Change Maker Grant/UW Madison Wisconsin Partnership Program	<ul style="list-style-type: none"> • Medical College of Wisconsin Changemaker grant • http://www.med.wisc.edu/wisconsin-partnership-program/community-opportunity-grants-program <ul style="list-style-type: none"> ○ UW-Madison grant is being redesigned; new framework to be announced May 2017
Report Out for Full Committee <ul style="list-style-type: none"> • <i>Summary</i> • <i>Barriers</i> • <i>Celebrations</i> • <i>Asks</i> 	Roundtable— <ul style="list-style-type: none"> • Kari and one other person from Public Health will be attending QPR (Question, Persuade, Refer) training in June. 20-30 people will be trained to train others in the community. The Stigma committee is putting together the training. All day training on June 16th.
Don't forget these items as part of action plan: <i>Education/Prevention</i> <i>Access to Service</i> <i>Coordination/Continuity of Care</i> <i>Health Literacy</i>	Review the CHIP goals and objectives  CHIP Objectives.pdf <p>We are on the last year of the CHIP, and the new CHIP is being worked on now. The leadership council will look at the data and decide what to include in the next CHIP. They would like to keep going a lot of the efforts that are currently going on, including SBIRT.</p>
Action Steps and Person Responsible	Shelby will contact Tracy Lee-Johnson for Aurora and get in touch with Kristin By June first the decision will be made to have either one or two school trainings.
