ITEM	DISCUSSION/CONCLUSION/RECOMMENDATIONS
	Having success with one business.
Ideas to Pursue	 <p>PDF Copy of LaCrosse Survey 2-16</p> <p>Libby contacted PHN in La Crosse—also working on MHSA Stigma (Joe Larson). LAX recognized their employers were looking for opportunities to get MH resources. They sent out a survey to businesses. They started with one company. We could do the same thing to see if they need stigma training or other resources. ICU training is a good resource too. Campaign to change direction—identifies 5 signs of suffering and how we can assist.</p> <p>8 Dimensions of Wellness—good resource for businesses.</p> <p>Pamela and Mary to set up meeting with the Chamber. Would the Chamber be willing to send out another survey to businesses for education?</p> <p>Group willing to look at LAX survey and edit it for Sheboygan County, who we want to send it to first: Ann, Mary, Tricia. MHA can work on the toolkit. Before next meeting: Pamela, Mary, Trish to look at survey questions. Trish will also look at list of resources with Pamela.</p>

Roundtable	<p>November 3rd is Trauma Informed Care training. Group decided to cancel November meeting because of TIC training and that also gives the small groups more time to meet.</p> <p>Next meeting will be Thursday, December 1st at 8:05am.</p> <p>Drug Take Back Day 10/22/16—All volunteer slots are filled! ATODA supervisor for SASD wants to partner with us. He is spreading the take back day flyer and also the permanent take back sites.</p>
