There is a school sub-meeting in January. Date still TBD. Are Lutheran and Christian high being included? Discussion about how there may be fewer referrals because of the brief intervention piece of SBIRT. The goal is to prevent kids to go to specialty care that don't actually need it. Shelby described past discussion about "pinch hitters" like MHA. Also providers going to kids instead of kids and parents coming to them. Kari will make sure some of the people present receive school PowerPoint presentation. Review of status with Healthcare/SBIRT initiative <ul style="list-style-type: none"> Barriers and solutions Aurora/Prevea efforts- status—Concerns about implementation. \$50,000 for 12 people to be trained.

ITEM	DISCUSSION/CONCLUSION/RECOMMENDATIONS
	<ul style="list-style-type: none"> ○ Mary—did presentation on 11/15 and looking for pilot program ○ Motivational interviewing training is essential ○ Budgeting for a nurse to do SBIRT might be better than other alternatives.
Change Maker Grant/UW Madison Wisconsin Partnership Program	<ul style="list-style-type: none"> • Medical College of Wisconsin Changemaker grant • http://www.med.wisc.edu/wisconsin-partnership-program/community-opportunity-grants-program/44947 <ul style="list-style-type: none"> ○ We meet all the objectives, this may be more feasible now rather than the change maker grant. Shelby will reach out to get more information on whether we can apply for this. • UW-Madison mentoring grant—supports planning and prep of project, \$25,000 • Timelines for 2017? Deadlines will be early in the year- February?
